Site Supervisor CSA

Located in Vienna, Austria, the **VAMED Group** is an internationally leading company in the field of Health Care. According to our philosophy "everything from one source", we constantly develop new and innovative strategies to ensure our market leadership.

Your challenge:

- Overall responsibility for the execution of works at project site in compliance with the clients' main contract, time schedule, budget, quality of works and including safety on site □
- Site representative of the company to the client, consultants, consortium, subcontractors, local authorities etc. in accordance with the Site Manager. □
- Motivation of the Site Team and conflict management at the site. □
- Designing of organizational rules & guidelines for works at project site (site manual) in cooperation with the Site Manager. □
- Leading and coordination of internal & external site meetings □
- Allocation & coordination of tasks & responsibilities of the Site Team (for supervision of civil works, pre-installations, receipt & storage of materials & equipment, etc.) □
- Supervising, monitoring & control of tasks, resources & progress □
- Monitoring of claims to the client, subcontractors, etc. □
- Supervision of HSE plan and guardianship of the plan towards own and subcontractor employees

Your profile:

- Technical degree (technical college) in architecture or civil engineering
- At least 3 years professional experience
- Good knowledge in construction and specifications
- Excellent language skills in English, second language preferable
- Computer skills (MS-Office, AutoCAD)
- Excellent team working and communication skills
- Self-confident, assertive and highly flexible
- Intercultural competence

- Precise and structured working style
- Mature, Dedicated and able to work Independently with minimal supervision
- High mobility and/or readiness to travel abroad (including longer international assignments)

Location:

Ghana/Western Region

Our offer:

- Meaningful Work
- Dynamically growing market with a perspective for the future
- Overall conditions of an internationally successful group
