

SHARE OUR SUCCESS!

Regional Controller (m/f)

Located in Vienna, Austria, the **VAMED Group** is an internationally leading company in the field of Health Care. According to our philosophy "everything from one source", we constantly develop new and innovative strategies to ensure our market leadership.

Your challenge:

- Financial Controlling responsibility for all projects of a specific region
- General supervision of Project Controllers
- Optimization of cost controlling in the region
- Compiling current-state and target analyses as well as the preparation of forecasts of key figures of the region as a basis for decisions in regard to further actions
- Preparation of yearly budgets and mid-term-plans of key figures of the region
- Provide expert financial advice and guidance in all commercial matters to the Regional Director
- Guidance of Financial Controller/Project Controller and support to them in Risk Analysis
- Regional responsibility to implement and follow-up the Code of Conduct and all other compliance regulations as Regional Compliance Officer

All reports are done according IFRS guidelines!

Your profile:

- Commercial degree (University of Economics and Business, University of Applied sciences, or similar education with emphasis on financial controlling)
- Several years vocational experience in the field of financial controlling, preferably for the construction of healthcare facilities
- Excellent language skills in English
- Good knowledge of MS office applications (especially MS Excel)
- High degree of analytical skills, accurate, structured and self-dependent working methods
- Assertiveness, cross-functional thinking and communicative personality

Location:

- Vienna with international business trips

Our offer:

- Meaningful Work
- Dynamically growing market with a perspective for the future
- Overall conditions of an internationally successful group
- This position pays a collective-agreement minimum salary starting at 3.784,00 depending on qualification and training.
